NRG

Our French Doors are a beautiful alternative to sliding patio doors, and are ideal for traditionally designed homes, bringing a touch of elegance and style. They have the advantage of allowing the full width of the door space to be opened and are available in both high gloss white and woodgrain foils. They are also strong, with multi-point locking and shootbolt security.

HINGES

Designed for ease of use and a draft-free fit
Stainless steel stabilising pins for enhanced security
Available in a range of solid colours to co-ordinate with your door.
Made from high quality, rust free, stainless steel for longer life performance.

LOCKS

2 hook, 2 roller system
Bi directional hooks with anti-jemmy feature
Brass forged to provide superior performance & weather sealing

HANDLES

Two styles – modern (shown) or classic scrolled
Lever/ Lever and Lever/ Pad combinations available
Aluminium and zinc construction
Choice of white, black, gold and chrome finishes, and 10 solid colours
Balanced handles.

ADDITIONAL FEATURES

High Gloss white PVC-u finish or choice of woodgrain finishes

Chamfered or Sculptured glazing beads.

Choice of glass or reinforced PVC-u infill panels.

Choice of PVC-u or aluminium low thresholds - Part M

Wide range of energy efficient glazing options.

Closed

Opening

Fully open

Raising the door handle by 90° activates the multi-point locking system by expanding the roller bolts into their keeps, engaging the recessed hook bolts into their keeps and deploying the shoot bolts located at the top and bottom of each door.
